

BA Program Enrollment & Renewal Fees, PLUS One Additional Perk:

The fee for the BA Certification Program is \$575 and it comes with one FREE, 2-year re-certification cycle. (Normally \$250) This means that you will complete your current certification cycle unchanged. However, the next time your certification comes up for renewal you will submit your paperwork, but you will not pay any fees for that next 2-year cycle.

After your free re-certification cycle, the standard \$250 bi-annual BA renewal fee will kick in. Your BA re-certification falls in step with your regular re-certification timeline, coming up for renewal every 2 years.
